Cyber Incident Response

Enlist elite responders to handle the entire security incident lifecycle
Enabling Diligent, Seamless Response Worldwide

Kroll’s Cyber Risk experts manage over 2,500 security investigations every year. We respond to incidents of all types, complexity and severity for organizations across diverse jurisdictions and industries.

You can count on Kroll’s unique frontline experience not only in a crisis, but also for proactive planning and mitigation strategies. We are among the top service providers preferred by major cyber insurance companies and offer client-friendly incident response retainers for peace of mind.

FASTER RESPONSE THROUGH ADVANCED REMOTE AND ONSITE CAPABILITIES

Our global network of certified security and digital forensic experts can deploy remote solutions quickly and/or prepare to be onsite within hours. We can help augment your internal team to identify root cause, contain and remediate the situation, then determine next steps to strengthen defenses, policies, and procedures.
